## Page Three

[From WIKIPEDIA]

—Janus Regular, Italic, Counter Italic

Many tabloid newspapers use a photo of a topless or a naked girl to improve their sales. Very often, this photo is placed on page three of the newspaper; that is where the name of this feature is from. For this reason, the feature is referred to as Page Three or Page 3. The newspaper *The Sun*, who introduced this in 1970, holds a copyright on the name. *The Sun* showed a picture of a topless girl on page three. Other newspapers, such as the *Daily Star* and *Daily Mirror* had pictures of naked women; *The Mirror* changed for models in swimsuits after a few years.
